PERFORMANCE SHOWCASE

ASH

Performance Showcase can begin as early as 7:00 am on Friday. Once capacity is reached, studios who register after capacity has been reached may be given the option to perform some or all of their routines on Thursday.

How is ASH's Performance Showcase Different From a Competition?

The Performance Showcase is an opportunity for dancers to perform their pieces in a supportive and non-competitive environment. Each performance will be critiqued by the ASH faculty and awards will be given, however, the performances are not scored. Awards are decided by a consensus opinion of the judges.

Things to remember:

The Performance Showcase will be held ALL DAY on Friday, in the afternoon on Saturday and sometimes on Sunday when necessary to accommodate all registered routines.

- To participate in the Performance Showcase, dancers must be registered for the full convention.
- Because the Performance Showcase is not a competition, there are no age categories or style categories.
- There will be strict adherence to the Performance Showcase program order. Please be ready to perform when scheduled. Keep in mind that routines which do not perform at their scheduled Performance Showcase time may be ineligible to receive Performance Showcase Awards.
- Each registered dancer may register up to 2 solos for 23/24 Season.
- The "style" of each routine is only for reference for our Media and Lighting teams. Because the Performance Showcase is not a competition, the "style" is not a category and will not be listed anywhere except your online registration account and seen only by our Media and Lighting teams.
- Registration for the Performance Showcase is on a first come, first serve basis. Due to time restraints, once maximum capacity is reached, we will no longer accept Performance Showcase routine registrations. In select cities, studios who register after capacity has been reached may be given the option to perform some or all of their routines on Thursday.
- Dancers may perform solos and duets/trios in the Performance Showcase without a Teacher registered.
- In order to perform a group routine (4+ dancers) in the Performance Showcase, a Teacher or Studio Director must be registered for the full convention.
- Independent dancers may participate in the Performance Showcase.
- All routines must be appropriate for family viewing.
- Teachers may not coach dancers during performance.
- Changes to any routine must be made by the "Registration Cutoff Date" listed on the specific city page.
- All performers must be students. NO TEACHERS OR PROFESSIONAL DANCERS.
- If a minimum number of entries is not reached, ASH Productions reserves the right to cancel the Performance Showcase. In the event of a cancellation, ASH Productions will issue a full refund for Performance Showcase fees only.
- Awards received when a dancer is registered with a studio are not valid when registering as an independent or with another studio.

- The online account will be suspended and the studio must email the ASH Office to register.
- A required 50% deposit must be made upon registration.

- Props are allowed. However, you must enter the prop information when registering the routine.
- Props may not be larger than 8 feet tall.
- Prop setup and take down must not exceed 2 minutes for both setup and take down combined. If 2 minutes is exceeded, the routine will not be eligible for Performance Showcase Awards.
- Props must be carried on and off the stage. ASH Staff or Crew will NOT assist in unloading, moving, assembling, repairing, or dismantling props or any other equipment.
- Please leave the stage area clean for the next performers.
- Stage Dimensions – 24 feet deep x 48 feet wide. The performance stage size varies based on venue size and configuration and can range from approximately 24'x34' to 24'x48' (stage dimensions may or may not include wing space).

- All music must be uploaded to your online registration account at least one week prior to the start of the event.
- You can upload music by clicking the green “Media Manager” button for your event. Only MP3 files are accepted. Once uploaded, you can preview all music!
- Uploaded music must match the timestamp you entered when registering a routine. If the music exceeds the time entered and also exceeds the time limits listed in the table above, you will be charged according to the extended time rates listed in the table above for each dancer in the routine and become ineligible for Performance Showcase Awards.
- Beginning in the 23/24 Season, any account with music not uploaded at least one week prior to the start of the event will have a \$50 late fee added to their account.
- Please bring a backup USB of all music to the event. Only a USB will be accepted. ASH will not accept music on an iPhone, iPod, computer, CD, or any other device.
