EVENT GUIDE

ASTH Nationals **2024**

IMPORTANT DATES

MAY 30 **EARLY BIRD DEADLINE**

JUNE 7 **SCHEDULE RELEASED**

JUNE 17 **MUSIC/WAIVER DEADLINE**

Keep in mind that the number of registrations we receive and the number of Open Competition routines that are registered dictate the times on the schedule.

Since the Early Bird Deadline is not until May 30, 2024, we have no way to accurately estimate the start and end times of any portion of the event until the release of the schedule on June 7, 2024.

In general, if you are registered for all 4 programs offered at Nationals, be prepared to arrive early in the morning and be finished later in the evening.

Unlike the regional tour which is non-competitive, our Open Competition schedule is grouped by age and category (i.e. duet/trio, groups, etc.) so no scheduling requests can be accepted.

ASH Assistant Auditioners are required to register a solo (already choreographed) in the Open Competition. This will be performed on the ASH stage as part of the Open Competition. This solo is NOT included in the ASH Assistant Audition Fee.

Next, will be the combination audition process. Dancers will learn combinations from the ASH Faculty. Once they learn all combinations, they will audition in front of the ASH Faculty. (Bring clothes and shoes for ALL styles!). This audition is closed, no teachers or parents will be allowed in the room.

All 24/25 ASH Assistants will be announced at the Gala!

SAMPLE SCHEDULE

A Special Note About The...

SAMPLE SCHEDULE

The Sample Schedule on the next pages is designed to give you an idea of the flow of the event, not to give you an accurate picture of which day or time something will or will not be scheduled. Any portion of the event can be scheduled on any day at any time during the event. Take special caution if you are viewing the sample schedule in order to make travel plans. There are many factors that impact the schedule of which we will not know the full extent until the Early Bird Discount Deadline on May 24, 2024:

- The number of routines that are registered, and how many groups versus how many solos. This means we may have to extend or alter the days and times on which the Open Competition occurs.
- The number of students registered for the ASH Assistant Audition. This could require us to move the audition to an entirely different day of the event in order to accommodate the number of students auditioning.
- The number of students registered for the COMPANY Intensive. This could require us to create more groups or less groups and may require us to move portions of the COMPANY Intensive to different days in order to accommodate the number of students auditioning.

As always, feel free to send us an email at info@ashproductions.com if you have any questions.

THE OFFICIAL SCHEDULE WILL BE RELEASED JUNE 7TH

Keep in mind that the number and type of routines registered dictates the schedule. This means that until the official schedule is released on June 7th, we are not able to predict when any routines will be scheduled, the exact start and end times of any portion of the event, or the exact day that any specific audition, class, or rehearsal will be scheduled.

Students registered for theCOMPANY Intensive are not able to miss any portion of the scheduled theCOMPANY Intensive auditions, rehearsals or performances.

Generally, any student auditioning for ASH Assistant should be participating in all available programs and be prepared to attend Nationals each day from early morning until late evening.

Unlike the regional tour which is non-competitive, our Open Competition schedule is grouped by age and category (i.e. duet/trio, groups, etc.) so no scheduling requests can be accepted.
