HOW TO UPLOAD YOUR MUSIC

Select the

Upcoming and Past Registrations

tab.

If your registration is still open, you will find the event under the "Open Registrations" tab, select "Routines" and then you will find the "Media Manager" button on your routines page.

Find the event and select the

Media Manager

button.

From there, next to each routine, you will click on the

icon. Click that and you will be prompted to upload a music file from your computer for that routine.
